## 17<sup>th</sup> INTERNATIONAL CONFERENCE ON THE EUROPEAN ENERGY MARKET

16-18 SEPTEMBER - STOCKHOLM, SWEDEN

It is our pleasure to announce the 17th European Energy Market Conference, EEM 2020, which will take place at KTH Royal Institute of Technology. The EEM conference has gained a strong reputation in both European and international levels for providing an excellent ground for experts to discuss a wide range of issues regarding the energy markets.

### CONFERENCE TOPICS

- Electricity market design, regulation and monitoring
- Technical aspects of electricity market operation
- Operation, modeling, forecasting and simulation of commodity, technical and financial markets
- Implementation of the European energy and climate policy
- Infrastructure development and asset management
- Presence and future of gas and coal markets

### CONFERENCE COMMITTEE

**Associate Prof.  
Mohammad Reza Hesamzadeh**  
conference chair

**Prof. Ingo Vogelsang**  
conference vice-chair
